HEALTH DEPARTMENT

## Dr. Harrison

*Safety and services have been a tricky balance during the whole time of the pandemic. It can end up being harmful to completely cut off certain services to try and be safe. SO certain health services will continue to prevent any worsening health problems. Having those providers come here is less risky than sending several people out at this time. So, the following services are up and coming and will be provided here:*

### Upcoming Visit for Sophie Harrison

Dr. Harrison's Next scheduled in community, she will be available for appointments. February 16<sup>th</sup> – 18<sup>th</sup> 2021 (Dr. Harrison is also available for zoom appointments).

## Chris Carr

### Upcoming visit for Chris Carr

Chris Carr Will in community February 18<sup>th</sup> until February 22<sup>nd</sup>, 2021  
She will be available throughout the weekend.

## Marlaina

### Zoom Appointments with Marlaina

Marlaina our children's counsellor is available over zoom from February 15<sup>th</sup> - 19<sup>th</sup> 2021

### Dental

Dr. Falk will be here in April 2021 Dates TBA.

## Dr. Falk

**if you would like to schedule an appointment call the health center and we help you over the telephone or email. Both listed below.**

## **Covid-19 / Moderna Vaccine**

Thank you everyone who came to protect yourself, your family, and this community by getting the Covid-19 Vaccine. 84% of those 18yrs and older in this community have been vaccinated! (Which is 56% of the entire community).

We are so very lucky to be one of the first communities to get the vaccine, and the first one to have second doses done! (Do not worry, we are still arranging for the last few people that need dose 2 still).

It came just in time before the virus hit our region. Stay safe out there everyone and remember to continue to follow the public health guidelines to protect those unable to get vaccinated at this time.

On the next page you can find shots from the clinic
