

Probyn Log Ltd.

Employment Opportunity

Date: May 22, 2024

Title: Debris Removal- Hawksbury and Bishops

Type: Short term contract

Start Date: June 10, 2024

Wage: \$750/day (including skiff and fuel)

Job Objectives:

The debris removal person will be required to provide a boat suitable for collecting harvest debris and report directly to Probyn Log. They will communicate a daily plan and conduct scheduled radio checks with VIH. The person must have all proper safety equipment and follow safe operating procedures while collecting and disposing of harvest debris.

Duties & Responsibilities:

- Removing harvest debris such as branches and small cut ends
- Disposing of debris onto beach location above the high tide line.
- Worksite coordination with the Prime Contractor – delineating safe work zones for crew.
- Participation in Prime Contractor Safety meetings.
- Camp accommodations may be available depending on the location and arrangements.

Requirements:

- SVOP license.
- If it is a business applying for the contract - worker compensation in good standing.
- All appropriate safety gear.
- Boat well suited for the collection of harvest debris.
- Safety Plan (Emergency Response).
- 6-8 hours (weather dependent) at the worksite.
- Radios – communication with foreman & helicopters – will be provided.
